Cruse

The minutes of the regular meeting of November 7th were read and approved without correction.

The President of the Board presented and had read, a communication from Mr. Ralph Hilscher, Director of the Bureau of Sanitary Engineering of the State Board of Health, setting forth at length a presentation of the City's sewage problem and advising the use of the present site. The reading of this letter was followed by discussion from Messrs R.H. Beckman, Frank Langhorst, E.L. Bailey, William Baker and H.C. Beckman who oppose the continuance of the plant at its present site. The majority of these gentlemen seemed to be willing to allow the plant to continue at its present location if positively assured that no further continuance of the present nuisance would ensue.

199 In the matter of errors in the assessment of certain property as stated by the assessor, the Board authorized the refunding of taxes paid thereunder by the passage of Resolution No. 199 by the following vote:

Ayes: Trustees, Rich, Hickok, Cruse, Hale, Montgomery.
Noes: Trustees, None. Absent: Trustees, None.

The City Clerk submitted the outline of a plan whereby the pay-days of the City would be fixed as the fifteenth and last days of the month instead as following the meetings of the Board on the first and third Mondays. The same was referred to the City Attorney.

The Fire Department protested against non-notification when water is to be turned off and the Superintendent was instructed to notify the Chief when making extensive repairs and if possible publish the date and hours when water would be turned off.

It was reported that many of the caps covering hose nozzles on fire hydrants were so rusted on that they were difficult to remove; the Fire Chief was instructed to give this matter immediate attention and insert new gaskets where necessary.

Bills to the amount of \$ 9,401.38 were ordered paid on motion of Trustee Rich.

The Board unanimously passed a resolution tendering their thanks to Mr Edward Hutchins for giving a right of way through his lands for the storm sewer now being laid.

The City Superintendent presented a communication from the American Machinery Company quoting a price on an oil generating set; no action taken.

Forteen Building permits were allowed for buildings at an estimated total cost of \$22,050.00

At the order of the President, the Board adjourned until 8 o'clock P.M. Monday, November 28th., 1921.

Attest:  J. F. Blakely, Clerk.
